

BioMed Central copyright and license agreement

In submitting an article to any of the journals published by BioMed Central Ltd ('BioMed Central') I certify that:

1. I am authorized by my co-authors to enter into these arrangements.
2. I warrant, on behalf of myself and my co-authors, that:
 - a. The article is original, has not been formally published in any other peer-reviewed journal, is not under consideration by any other journal and does not infringe any existing copyright or any other third party rights;
 - b. I am/we are the sole author(s) of the article and have full authority to enter into this agreement and in granting rights to BioMed Central are not in breach of any other obligation. If the law requires that the article be published in the public domain, I/we will notify BioMed Central at the time of submission upon which clauses 3 through to 6 inclusive of the full BioMed Central Copyright and License agreement <http://www.biomedcentral.com/download/license.pdf> do not apply;
 - c. The article contains nothing that is unlawful, libellous, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;
 - d. I/we have taken due care to ensure the integrity of the article. To my/our - and currently accepted scientific - knowledge all statements contained in it purporting to be facts are true and any formula or instruction contained in the article will not, if followed accurately, cause any injury, illness or damage to the user.

And I agree to the following license agreement:

BioMed Central Open Access license agreement

Brief summary of the agreement

Anyone is free:

- To copy, distribute, and display the work;
- To make derivative works;
- To make commercial use of the work;

Under the following conditions: Attribution

- The original author must be given credit;
- For any reuse or distribution, it must be made clear to others what the license terms of this work are;
- Any of these conditions can be waived if the authors give permission.

Statutory fair use and other rights are in no way affected by the above.
